

## 2<sup>nd</sup> Nordic HTA Umbrella Meeting

June 11-12, 2026 at Örebro University Hospital

Healthcare is a top priority across the Nordic countries. Access to impartial evidence is essential for high-quality care, and HTA is a powerful tool for this purpose. What could be achieved if the Nordic countries collaborate in this field?

We warmly welcome you to join the discussion at the 2<sup>nd</sup> Nordic HTA Umbrella Meeting in Örebro. We look forward to seeing you there!
